

REMARKS

Preliminarily, Applicants would like to thank the Examiner for the telephone discussion on September 8, 2005 regarding the Advisory Action she issued on August 30, 2005. These remarks memorialize that discussion.

In the Advisory Action, the Examiner rejected new claims 34-35 and 38-39 in view of Aloisio Jr., *et al.* (U.S. Patent 6,215,934). In the March 15, 2004, October 26, 2004, and May 10, 2005 Office Actions the Examiner indicated that claims 27 and 30 would be allowed if rewritten in independent form. In the telephone discussion, Applicants indicated that claims 34-35 corresponded to claims 27 and 30 rewritten in independent form. Similarly, it was indicated that Claims 38-39 include the corresponding limitations of claims 27 and 30 based on claim 2. As the Examiner will recall, after review of these issues, the Examiner indicated that upon submission of this summary, the rejections of claims 34-35 and 38-39 in view of Aloisio would be withdrawn.

Therefore, all objections and rejections having been addressed, it is respectfully submitted that the present application is in condition for allowance and a Notice to that effect is earnestly solicited.

Should any issues remain unresolved, the Examiner is encouraged to contact the undersigned attorney for Applicants at the telephone number indicated below in order to expeditiously resolve any remaining issues.

Respectfully submitted,

MAYER BROWN ROWE & MAW LLP
